

Earth & Soul Guided Walks

There are 3 areas on Earth & Soul where a Guide is considered essential.

- Cannon Creek Gorge
- Dragon's Backbone
- Cannon Creek Top Crossing

Top Crossing Area

Cannon Creek Gorge

Dragon's Backbone

According to the Australian Standard for rating bush walks, a system of ratings from 1 to 5, these areas are considered to be Grade 5 Walks. The main reasons for this grading is:

- Difficulty in erecting clear signage to help navigate your path;
- Steps up & down over slippery surfaces and granite boulders;
- Occasional steep gradient;
- The need for bushwalking experience, map reading, navigation, survival and first aid skills.

Walkers need to have good walking shoes, a hat and should carry water & first aid supplies (particularly a snake bite kit).

The walks are not extreme in distance. The Cannon Creek Gorge and Top Crossing Area walks can be completed easily within 2 hours. The Dragon's Backbone may take a little longer, perhaps 3 hours.

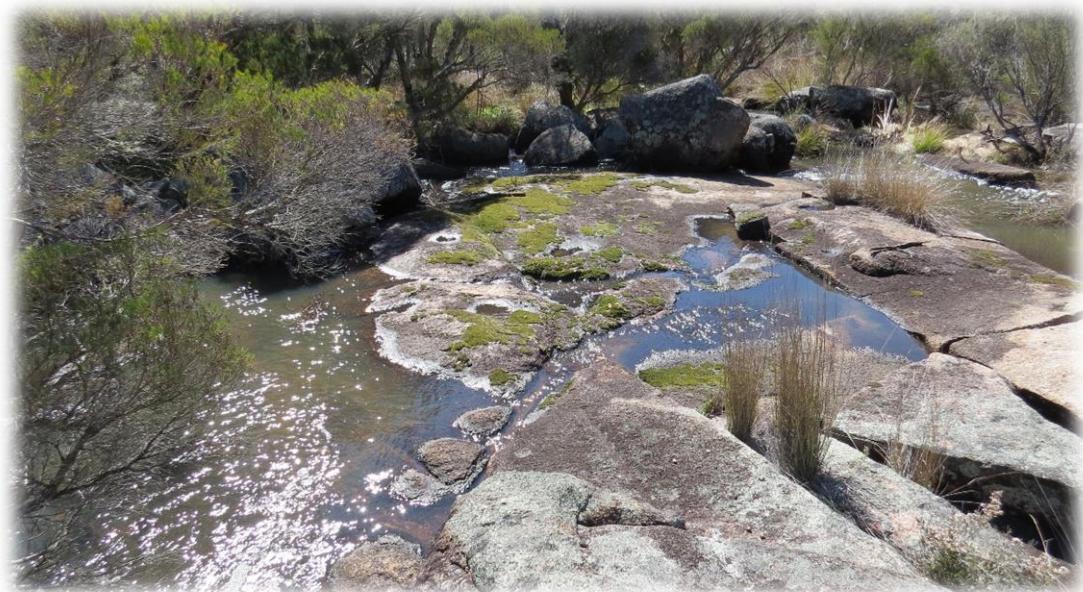

The walks are not strenuous and do not require climbing or bouldering. What takes the most time is enjoying the journey, giving time to explore, sit and enjoy the sounds and sights of nature.

The walk to the Cannon Creek Gorge can be extended to include Doro's Hole on the Broadwater, returning via the Ridge Walk and the Earth & Soul Labyrinth.

Cannon Creek Gorge

The walk to the Top Crossing Area can also be extended to include a connection through to the Earth & Soul Labyrinth.

Cannon Creek Top Crossing Area

The walk to the Dragon's Backbone can be extended to include the area of the Lower Broadwater and then through to Doro's Hole, returning via either Cannon Creek Gorge or the Ridge Walk. The extended walk can take up a morning or afternoon session of 3 to 5 hours.

The Dragon's Backbone

Doro's Hole is always a good inclusion whether for kayaking or just enjoying the scenery. Depending on the season you never know what may be there to discover.

Guided walks need to be planned and booked ahead so that I can ensure I am available. I thoroughly enjoy taking people for walks around the property and if I can do it then I definitely will but my time is sometimes spread thin. When making a booking please include an indication of the date & time during your stay at Earth & Soul that you have available for a walk and which walk you would like to do. I will confirm or make an alternative suggestion.

I look forward to the opportunity to show you our beautiful property.
